**By submitting this application (I/We) understand and agree to the following Material Terms and Direct Debit Terms and Conditions:**

- The options I/We have selected.
- Change of ownership does not alter the original contract period in any way and the new owner agrees to be bound by this term.
- If you choose to cancel the Service at any time, you can do so in writing by providing 30 days notice. If cancellation is after expiry of the contract period you will be liable for any outstanding charges up to and including the 30 day notice period. If cancellation is prior to expiry of the contract period Contract Break fees apply.
- Early termination of a contracted service obtained via a promotion/special offer will result in standard cancellation fee plus the fees/costs of items/services obtained that were included free or waived as part of the promotion/offer.
- If the Service is moved to another telephone number or location, or any changes are made to the underlying telephone service, this may result in disconnection and reconnection fees.
- Pricing is for self-installation with phone support.
- Amnet will advise you of the Service Commencement Date of your connection, and the full terms and conditions of our Customer Relationship Agreement is available from our offices or online at [www.amnet.com.au](http://www.amnet.com.au)
- The service is only available at the premises at which you have requested the service be supplied and may not be transferable.
- Any additional installation/hardware required at your premises is your responsibility.
- That usage limits are reset at the beginning of each billing period, you cannot 'rollover' any unused data into the next billing period to increase your download limit.
- You may not re-supply the services to any other end user.
- You are liable for all charges whether or not you authorised the particular use of the Service by another person and you will continue to be liable for the charges if you allow another person to occupy your premises or use the Service.  
All Services provided by Amnet are paid in advance. If your account is not sufficiently in credit on the due date, your Service may be suspended or cancelled and we reserve the right to charge interest on any amounts not paid to us by the due date.
- If Amnet suspends or cancels the Service due to non-payment or breach of our Customer Relationship Agreement, you may be liable for Contract Break Fees. You may also incur fees to reactivate the service.
- The Service will not be used or be allowed to be used for any illegal or anti-social purposes, or any other breach of Amnet's Customer Relationship Agreement. Any breach of these terms may result in cancellation of the Service.
- Amnet will aim to provide the best service possible, but cannot be responsible for any loss of service, data or goods regardless of whose fault it is.
- You should check:
  - a) With your financial institution whether direct debiting is available from your account.
  - b) Your account details are correct.
  - c) You may also be charged a fee by your financial institution.
- If you wish to cancel, stop or defer a Direct Debit payment you must notify us at least 7 days prior to the next due date to make alternative arrangements for payment.
- It is your responsibility to ensure that there are sufficient clear funds available in your account to allow a debit payment to be made in accordance with the direct debit request.
- If there are insufficient clear funds in your account to meet a debit payment:
  - a) Your service may be suspended or cancelled
  - b) You may incur fees or charges imposed or incurred by us
  - c) You may also be charged a fee by your financial institution
- You should check your account statement to verify that the amounts debited from your account are correct.
- We will keep any information in your direct debit request confidential. We will make reasonable efforts to keep any such information that we have about you secure and to ensure that any of our employees or agents who have access to information about you do not make any unauthorised use, modification, reproduction or disclosure of that information.
- We reserve the right to charge interest on any amounts not paid to us by the due date. Interest will be charged from the due date until payment at a rate equal to 3% above the Bankwest Corporate Overdraft Reference Rate or such other comparable rate chosen by us most recently published before that date. You will be liable to pay to us all expenses (including reasonable legal costs and expenses and the fees of our debt recovery agents) incurred by us in relation to recovering payments due under this agreement

I/We have read, understood, and agree to Amnet's Customer Relationship Agreement (CRA) and confirm that I/We are over the age of 18 and will be noted as the authorised account signatory.
